Shelby Distributions Inc.

Preparing Your Business for Business

2015 Fire Season FSSI Contract Highlights

Missoula's Office City has over 15 years of Fire Contracting experience.

The contract allows agencies to use the FSSI BPA for office supply purchases—including Janitorial & Break room Supplies

Next day delivery* of 20,000 FSSI items to most locations in the Western United States.

*Please ask for a delivery schedule to your exact location.

Some locations will receive 6 day per week coverage.

Missoula's Office City will convert NFES numbers to FSSI numbers upon request.

GSA Smart Cards are accepted.

Purchases are reported back to GSA from Missoula's Office City/Shelby's Distribution. Reports will be provided upon demobilization.

Place orders directly for expedited delivery.

More Information

Shelby's Distribution is a Service Disabled Veteran Owned Small Business. Julian Grubbs, president, is a U.S. Army Retired Veteran. As a holder of one of 15 BPA awards, he is committed to combining great service and value. Shelby's Distribution has teamed with a select group of "participating dealers", approved by GSA, to assure nationwide, local representation. Based in El Paso, TX, Shelby's team of experienced government sales representatives are office supply experts.
